

Hillcrest Saddlery Order Form

Loaner Saddle

Before ordering, you may wish to try a "loaner" saddle. I will send you a saddle, and you can ride it for 10 days or so to see how it suits you and your horse. To try a loaner saddle:

Send your check for the purchase price of \$1,575.

Specify your height, weight, and inseam length.

You may wish to take some measurements of your horse's back to be sure your loaner saddle will be a reasonably good fit. See the Fitting Page for instructions and a diagram for taking the measurements.

I pay the shipping to you (in the continental U.S.), and you pay the return shipping.

I will return your uncashed check when I get the saddle back.
